

## 2009-2010 King Harbor Youth Foundation Junior Sailing Team Application

The King Harbor Youth Foundation (KHYP) is pleased to invite your child to become a member of the Junior Race Team. Membership on the team is at the discretion of the KHYP Coaching Staff and Board of Directors.

The KHYP is a non-profit organization established to promote sailing and sailing competition among youth. The Foundation will provide coaching and basic sailing equipment for Race Team members. In order to offset some of the operating cost for the Junior Race Team, the Foundation requires an annual fee from each Member. This Fee will help cover coaches' salaries, equipment acquisition and equipment repair. Costs not covered include, but are not limited to travel, meals, lodging, and event entry fees. Under memo on your check please note: *2009-10 Race Team*. (All checks are payable to "KHYP")
